

sartorius

An Overview of Sartorius Laboratory Products & Services

Laboratory Weighing

- Ultra Micro Balance
- Micro Balance
- Semi-Micro Balance
- Analytical Balance
- Precision Balance
- Top Loading Balances
- Pipette Calibration Balances
- Magnetic Susceptometers
- Mass Comparators
- Certified Standard Weights

Moisture Analysis

- Water Detection System
- Microwave
- Moisture Analyzers
- Quartz Cylinder
- Moisture Analyzers for Plastics Industries
- Infrared Moisture Analyzers for Routine Laboratory Analysis

Electrochemistry Products

- pH Meters
- Conductivity Meters
- Ion Selective Analysis
- Spectrophotometry**
- VivaSpec
- UV Vis Spectrophotometer

Refractrometry

- Brixxus- Top Loader
- Brixxus- Flow
- Brixxus- Peltier

Laboratory Water Systems

- Arium PRO
- To produce TYPE1 Ultra Pure Water
- Arium EDI 61215
- To produce TYPE2 Pure Water
- Arium RO 61316
- To produce RO Water
- Air Monitoring
- Colony Counting

Bioreactors

- Biostat A Plus
- Biostat Q Plus
- Biostat B Plus
- Biostat PBR 2S
- BiostatCultiBag RM

Homogenizers & Sonicators

- Ultrasonic Homogenizer
- Labsonic P
- Labsonic M
- Mikro-Dismembrators U and S
- Potter S Homogenizers

Orbital Shakers

- Cetromat MO II
- CEtromat R
- CEtromat S II
- CEtromat RM
- Cetromat U
- CEtromat IS

Shaking Incubators

- Cetromat CO₂ Incubators
- SENSOLUX
- Intelligent Tray for Determination of pH & DO
- Cetromat BS-1/BS-T/CT Plus
- Stackable Incubation Shakers

Filtration -Membrane

Membrane Filters

- Material
- Cellulose Acetate (CA)
- Cellulose Nitrate(CN)
- Regenerated Cellulose (RC)
- Polyamide(Nylon)
- PTFE
- Polyethersulfone(PES)
- Diameter Size
- 13 mm
- 25mm
- 47mm
- 142 mm
- 293mm

Disposable Filters

- Reusable Filters Holders

Filtration -Syringe Filter

- Minisart RC
- Minisart NY
- Minisart SRP
- Minisart NML
- Minisart High Flow

Ultrafiltration and

Purification

- Vivaspin for Protein Concentration
- Vivacon for DNA Concentration
- HIS- Taged Protein Purification
- CrossflowUltrafiltration
- Ion Exchangers for Protein Purification
- Virus Purifications

To Whom It May Concern

Sub : **Authorization letter for 2012**

We, M/s Sartorius Weighing India Pvt. Ltd, who are established and reputable manufacturers of Sartorius Laboratory products having factories at Gottingen, Germany and Bangalore, do hereby confirm that

M/s. Scouter Engineering Technologies Private Limited,
31,First Floor, Viduthalai Nagar,
S.Kolathur Main Road,
Chennai-600117.

Is our authorized channel partner in Tamil Nadu to promote and provide after sales support for the complete range of Sartorius products of Lab Products & Services.

We hereby extend our full guarantee and warranty for the instruments and accessories offered by the above mentioned firm as per our standard clause of warranty.

Thanking you and assuring you of our best and sincere attention at all the times.

Yours faithfully,
For Sartorius Weighing India Pvt. Ltd.,

Abhijit Ghosh
National Sales Manager
Lab Products & Services

ABOUT SARTORIUS: Your Worldwide Partner

For Over 140 years Sartorius have stood for Trust, Quality and Innovation in the Lab.

Sartorius is a leading International Laboratory and Process Technology provider for the Biotech, Pharmaceutical and Food Industries. Sartorius Helps customers all over the globe to implement complex and quality-critical laboratory and production processes in a time and cost –efficient way. Sartorius's Innovative Products,Solutions and services therefore focus on Key Value-Creating Segments in our Market .Strongly rooted in the scientific and Research communities and closely allied with customers and technology partners, we are dedicated to our philosophy of “Turning Science in to Solutions” on a daily basis. Sartorius Represented in 165 countries with a group turnover of 659 million euros.

ABOUT SCOUTER: Your Neighborhood Partner

M/s Scouter Engineering Technologies Private Limited has been formed by Professionals who has got outstanding expertise, Commitment and Drive to make Mutually Profitable Advancements, Reach new Heights in Service and Deliver Real Results.

We believe that the measure of our worth is in the results we deliver to our customers. This is why we do not compromise on our Service and Customer Offerings. We utilize our deep technological competence and industrial knowledge to deliver cutting-edge solutions and services designed to make a real and sustainable difference to business.

Core Objective:

- Scout Niche Markets & Applications
- Develop/Source Products , Solutions and Services
- Become Strategic Partner to Clients
- Form Long Term Alliances to Create Values
- Ensure Sustained Profitable Growth to All Stake Holders

Our Strength :

We have trained ,Groomed, Self Driven Sales and Service Professionals who are guided by established Proven processes supported by Latest Technology. Proactively we are evolving methodologies to reduce the down time of equipments supplied by us.
